Quality Features

What sets Lund apart from other aluminum boat-builders is our ability to get more out of the material. We build our boats to a different standard, with longitudinal stringers and double-riveted seams and sophisticated twin-plating that doesn’t add excessive weight.

Quality Features:
- Aluminum corner castings
- Deep, full-width splash pan
- Durable wraparound windshield
- Easy-access service portals
- Flushmount horn
- Heavy-duty consoles
- Heavy-duty transom and gunwales
- Lighted instrumentation, including fuel gauge, trim gauge, speedometer, tachometer and voltmeter
- Long-lasting oven-cured finish
- Treated Marine Grade Plywood
- Molded interior surfaces and side panels
- Navigational lighting
- No-pinch integrated seat hinges
- Recessed stainless steel cleats
- Stainless steel bow rails
- Vinyl wrapped interior
- Wider chine for smoother, more stable ride
