So lightweight, it's a breeze to tow along behind your car. In the water it's compact and easy to handle, designed to give you a quick sporty ride for hours of pleasure. The Sundance is beautiful, with sleek striping, bright crisp colors and coordinated interior.

Sundance is 12 feet of action power with its two cylinder, 50 horsepower Arctic Power Jet engine that's stingy on gas but transforms any lake into pure fun. Grab hold of the excitement and go.

- Ski Tow Hook
- Marine Hardware

A. The low, sleek design puts you near the action.

B. Lightweight, compact, easy to tow which means you save gas. Sundance weighs in at only 650 lbs. but performs big on the water.

C. Bold graphics carried throughout, stylish marine deck hardware and inland running lights.

D. Jet power engine at 50 horse power can easily pull a water skier. Ski tow hardware is standard.

E. Simple, clean dash with tachometer and fuel gauge, along with light switch, bilge pump, blower, and ignition switches. Padded soft-grip racing wheel and color-coordinated padded seats. All are standard with this sporty challenger.
