YOU’LL FIND THE FINEST FISHERMEN IN THE FINEST BOATS.

The Lund Tradition of Quality and market Leadership continues today as we build the finest aluminum fishing boats in our industry. New product development and customer service are top priorities throughout our company, and they continue to be key elements related to our success.

Lund Boats are built in modern facilities located in New York Mills, Minnesota; and Steinbach, Manitoba. We are very proud of the over 500 employees that build our products and over 350 Lund Dealer/Partners that sell and service our products throughout the United States and Canada. Today, we lead our industry with over 50 models ranging from 12' to 24' in size. Boats of the latest design, featuring appointments that meet the expectations of the most discriminating customer. Today, names such as Pro-V, Tyee and Baron have become household words. Last summer on the Professional Tournament Circuit, Lund Pro-V Signatures won both the PWT and NAWA championships (the two most prestigious walleye tournaments in the world). This year, you will see more Lund Pro-Vs and Tyees on the tournament trail than any other brand.

On behalf of all our employees and dealers, I invite you to review our ’96 product line shown in this catalog to see exactly what we mean by a tradition of quality. I then ask that you visit one of our dealers to assist you in choosing the new Lund that best meets your needs.

“Welcome aboard and good fishing!”

Larry Lovold, President

"In my business I fish every kind of water for every kind of fish. Lund has always given me the versatility and dependability to do my job right.”

Al Lindner
Television Host of In-Fisherman

With Al Lindner and Larry Lovold, and a new 1890 Pro-V LE, the fish don't stand a chance. See page 17 for all the details on this all-new Lund boat.

ProLong Live Well System ..............45

ACCESSORIES AND OPTIONS
Clothing, Canvas, Options, Rigging ....46
THE SIZE, THE RANGE, THE ATTITUDE.

America’s most challenging and abundant fisheries are in safe reach of the Lund fisherman. Barons are the big water answer. Great lakes. Huge reservoirs. Sounds. Coastal bays. The new 2150 Magnum Gran Sport and 2100 Traditional models put them in reach. When Mother Nature shows her force, you’ll be glad there’s a double-riveted, twin-plated deep-V Lund hull under your feet. The roomy 2150 is the newest example of how Lund has perfected a big-water balance between toughness, safety and performance.

THE NEW 2150 BARON MAGNUM GRAN SPORT.
- 80-gallon fuel tank for a one fill-up per weekend.
- 25” transom.
- Dual Prolong live wells.
- Huge 96” beam for stability, performance and roominess.
- Tilt wheel and no-feedback steering.
- New radius deck styling.
- Convertible top storage (outboard only).
- Stand up canvas.
- Optional head.
- Padded bow bolsters.
- 6 seat bases.
- See pages 11-12 for full specifications.
2150 Baron Magnum Gran Sport I/O.
Volvo or Mercruiser I/O options let you power your boat the way you like. In the I/Os, there are two ProLong live wells in the bow. The upholstered motor cover is flanked by two jump seats.

2100 Baron Traditional.
Famous for a safe, smooth, perfectly-balanced ride, the traditional 2100 Baron is an old hand on the big water. Reinforced decks for downriggers. Day-long range with 60-gallon fuel tanks. 2100 outboards feature bow and aft aerated live wells.

Traditional Baron Console.
Lund’s Traditional model consoles introduce you to the highest standard of style and performance. No-feedback steering. Reinforced surfaces to mount your electronics.

2100 Baron Traditional I/O.
2100 Barons boast huge 89” beams, enormous 60-gallon fuel tanks and finished storage all around. A host of options lets you equip a Baron to fit your needs.
1950 TYEE MAGNUM GRAN SPORT & SIGNATURE.

- 60-gallon fuel tank.
- Dual ProLong live wells.
- Up to 200-HP outboard.
- Color-matched outboard motor options.
- Radius deck styling.
- Convertible top storage (outboard only).
- Padded bow holsters.
- See pages 11-12 for full specifications.
MAGNUMS LEAVE EVERYTHING ELSE IN THEIR WAKE.

At almost 20 feet, Tyee Magnums are dominant powerhouses-putting speed, range and all-out performance under your command. Designed for big water, big crews and big fish. Magnums do it all with a gutsy, sport/utility attitude you can feel as soon as you settle behind the wrap-around console.

Gran Sport consoles take performance and style to another level.

Gran Sport consoles clearly define a standard other manufacturers have yet to reach. Wrap around sport styling. Padded dash and tilt wheel. Full controls and instrumentation including a 12-volt power receptacle.

Prolong—the industry's most advanced live well.

Signature superiority is graphically clear.

This year you can finish your Tyee Magnum with the style, colors and equipment of a Lund Signature. Color-match this elite model with an Evinrude or Johnson outboard motor. If a flash of Dark Cranberry and Sand Beige flies across the water, you can be sure it says Lund Signature on the side.
1850 Tyee Signature
Shown with optional sunbather seat.

THE 1850 TYEE GRAN SPORT & SIGNATURE.
- 45-gallon fuel tank in the outboards.
- Dual ProLong live wells.
- Refined hull is deeper & wider for a dry, smooth, high-performance ride.
- Color-matched outboard options.
- New radius deck styling.
- Convertible top storage (outboard only).
- Padded bow bolsters.
- Larger cockpit space.
- See pages 11-12 for full specifications.

Signature models entitle you to a personalized name plate, jacket and cap.

James P. Wilcox
LUND BOAT CO., NEW YORK MILLS, MINNESOTA

Johnson Outboards

1850 Tyee Signature
SIGNATURE IS ONE OF A KIND.
One look at the 1850 Tyee Signature tells you why these boats have come to define the pinnacle of styling. The striking colors are rich and confident. Color-matched engine options can complete the look. This year the hand-fitted upholstery is padded throughout the entire boat. And the color-matched tops rest in a convertible pocket when it's not in use. For the fisherman or the family who appreciate the finer things.

1850 Tyee Gran Sport 1/8.
A Gran Sport gives you an upgraded console, AM/FM stereo cassette, dual ProLong live wells, curved windshield and a complete canvas top-set to cover it all. See pages 11-12 for Gran Sport details.

1850 Tyee Traditional.
When Lund set out to build a boat that fished as well as it skied, the Tyee was the result. Walk-through windshields. ProDeck bow conversions. Plenty of gear storage. Precise handling under full-throttle. Ask your dealer for the outboard power of your choice up to 150 HP.

Top storage.
Take the top down and tuck it away. Lund's new top storage is available on 1850, 1950 and 2150 Baron and Tyee Gran Sport, Magnum Gran Sport and Signature outboard models. The frame slides back and your top-set drops right into the pocket keeping it secured and out of the way when it's not in use.

Signature consoles.
Until Lund brought you a wrap-around dash that could handle the elements in style, you could only find appointments like this in today's finest automobiles. Buried wood accents. Ergonomic control and instrumentation placement. Padded wheel. Soft-touch console. There's nothing else like it.
1650 Tyee Traditional

1750 & 1650 TYEES.
- Large built-in fuel tanks.
- ProLong live wells (1750 GS outboard).
- Aerated live well.
- Bow ProDeck conversion.
- Color-matched outboard motor options (1750 GS only).
- See the next page for full specifications.
THE TYEE FAMILY FOR YOUR FAMILY.
Everyone in the family agrees on a Tyee. The walk-through windshield leads to a comfortable bow area. When it’s time to fish, the Bow ProDeck conversion provides a fishing platform. Everyone will enjoy the full-throttle excitement and ample storage. Fishermen will find a bow plug-in, rod lockers, and aerated live well. All the right features to please all the right people.

1750 Tyee Gran Sport.
Tyees give skiers and fishermen trailer access to America’s waterways. Gran Sport models feature exclusive color options and standard upgrades like ProLong live wells, the Gran Sport wrap-around console complete canvas tops and more.

1750 Tyee Traditional I/O.
Lund gives you the options. Barons and Tyees can be powered with the outboard or I/O of your choice. You can add the options you want to a Traditional model or upgrade to a Gran Sport or Signature model. No boat builder has ever brought you more freedom to choose the colors and interiors that reflect your style.

1650 Traditional Tyee Console.
From glass boats to wood boats, there have never been console designs this exciting or functional. The stylish 1650 Tyee dash is a cross between a sports car and a 4 x 4.
TRADITIONAL
Traditional Baron and Tyee models set a standard that can only be topped by another Lund. For a complete list of features, see the facing page.
- Bow ProDeck conversions.
- Aerated live wells.
- No-feedback steering.
- Bow trolling motor plug-in.
- Walk-through windshield.

GRAN SPORT
2150 and 1950 Magnum, 1850 and 1750 Tyee Gran Sport models give you all the great Traditional features plus:
- Curved, automotive-style windshield.
- Two ProLong lighted live well systems and a bait well system in outboard models.
- Complete canvas top-set.
- AM/FM stereo cassette.
- Color-matched outboard options.
- Gran Sport console.
- Radius deck styling on the 2150s, 1950s and 1850s.

SIGNATURE
The 1950 and 1850 Tyee Signature models are striking, superbly styled and equipped boats for the discriminating owner.
- Four ProRide Signature seats.
- Two ProLong lighted live wells systems (outboard model).
- Complete color-matched canvas top.
- 50-watt AM/FM stereo cassette with remote.
- Exclusive Signature soft-touch console with burled wood accents.
- Radius deck styling.
- 20-oz. Sand Beige carpet.

**Note:** For detailed specifications, consult the manufacturer's guide.
THE PERFECT CONVERTIBLE.
1800 Gran Sport LE raises the fish and ski standard of the Tyees to an even higher level. If you enjoy holding a ski rope as much as a fishing rod, the new Gran Sport LE delivers. All the Gran Sport LE features and a few more extras make LE a one-of-a-kind sport boat.

THE NEW 1800 GRAN SPORT LE.
- 32-gallon fuel tank.
- Aerated live well.
- Bow ProDeck conversion.
- Aft casting platform conversion.
- Ski tow bar.
- Built-in and slide-out coolers.
- Bow cushions.
- Bucket seats.
- Tuck-away storage for canvas top-set.
- Padded bow bolsters.
For the fishing.
Over your hot spot, the Gran Sport LE equips you with fishing essentials. A bow ProDeck conversion. Aerated live well. Bow plug-in. And a smart layout that keeps fishermen out of each other’s way.

Aft innovations.
In the back of the LE you’ll find some smart innovations. Like a conversion for an aft casting platform. A built-in cooler. A Tuck-away pocket for the canvas top-set.

For the fun of it.
The new console says it all. For flexibility, fishermen and sport enthusiasts alike can sit in the same seat. From the comfortable bucket seat, the dashboard takes a bold, dynamic approach to control and instrumentation. Tilt wheel. No-feedback steering. Lighted instruments. 12-volt power receptacle.

THE 2450 GENMAR.
- All-weekend 96-gallon fuel tank.
- Wet bar.
- AM/FM cassette stereo with remote.
- Power steering and tilt wheel.
- Convertible table/bunk in roomy V-berth.
- Enclosed head.
Total comfort. Complete control.

Genmar's roomy cabin invites you to spend a relaxing night on the water. Convertible table/bunk, sink, faucet and spacious storage. When it's time to get under way, power steering, tilt wheel and fully-lit instrumentation give the captain complete control.

REWARD YOURSELF.

Chase the big ones deep. Genmar 2450 is big, stable and built to handle big water. It's loaded with top-end game fishing features and uncompromising comforts. Perfect for a weekend fishing adventure or relaxing evenings of docksidet entertaining. Customize it to your taste and budget with a full line of premium options. Every detail of the Genmar 2450 reflects our dedication to building the finest fishing boats in the world.

Straight from the lake into the frying pan.

Nothing tastes better than fresh fish right out of the lake. With Genmar's optional full-service galley, you can prepare an entire meal without coming ashore. Comes complete with stove and ice box. Add an optional portable head, and you're ready for days of uninterrupted fishing.
THE NEW LE FEATURES.

- Built-in 38-gallon fuel tank.
- 25-inch transom.
- Dual ProLong live wells.
- Refined hull delivers the ultimate in smooth, dry, safe performance.
- Aft area captain’s quarters designed for your exclusive control.
- Lockable aft electronics center.
- Bow and aft OnDeck bait well systems.
- Roomy, fully equipped forward area for your partners.
- See pages 27-28 for full specifications.

1890 Pro-V LE
Shown with optional port console.
“Just like in a tiller boat, everything I need is right here. Without moving from the back of the boat, I can have electronics on, bait on and fish on in minutes.”
Al Lindner
Television Host of In-Fisherman

Captain’s Quarters.
We’ve moved the console area further aft and balanced it for a perfect ride. The console, aft live well, aft OnDeck bait system and port-side electronic storage creates an exclusive captain’s area where you have complete control over everything.

OnDeck Bait Systems.
Forward, there’s more space than ever for your partners. And with a bow OnDeck bait system, no one stops fishing to pass the bait.

Fish from the driver’s seat.
When it’s time to fish, everything is at hand. Like the aft OnDeck bait system and electronics center. No other fishing boat makes better use of your equipment and expertise.
1890 PRO-V DLX SERIES

1890 PRO-V DLX SIGNATURE
1890 PRO-V DLX SE
1890 PRO-V DLX TRADITIONAL

1890 PRO-V DLX SE & SIGNATURE.
- 38-gallon fuel tank in the 1890.
- Dual ProLong live well systems.
- No-feedback steering.
- Wrap-around sport consoles.
- Port console options.
- See pages 27-28 for full specifications.

1890 Pro-V DLX Signature
**TOP OF THE FOOD CHAIN.**

In the 1890 Pro-V DLX, you’re the top predator on the water. A tough, twin-plated, double-riveted hide. Rated up to 190 HP, it moves you into striking distance fast. Silent trolling puts you over fish before they know you’re there. And, after you’ve made the catch, an aerated live well keeps it fresh. Put it all together and there’s no stopping you.

---

**1890 Pro-V DLX SE.**

The SE model makes perfect sense for the demanding fisherman. Premium color options. **ProLong** live well upgrade. Tilt steering. AM/FM cassette stereo. All the great features of the Traditional models plus lots more.

---

**1890 Pro-V Traditional**

The Pro-V name is synonymous with tournament wins, rugged durability, precision craftsmanship, exciting performance and most of all, uncompromised fishing. The huge 1890 Pro-V is packed with all the features that have made Pro-V the most recognized fishing boat on the water.

---

**Signature Console. It’s one of a kind.**

It takes a one-of-a-kind console to control a boat as special as a Lund Signature. Padded dash. Burled-wood accents. Wrap-around styling. Tilt wheel.
1775 PRO-V DLX
1775 PRO-V DLX SIGNATURE
1775 PRO-V DLX SE
1775 PRO-V DLX TRADITIONAL

1775 PRO-V DLX SE AND SIGNATURE.
• 32-gallon fuel tank.
• No-feedback steering.
• Wrap-around sport consoles.
• Port console options.
• Dual ProLong live well systems.
• See pages 27-28 for full specifications.
THE SE EDGE.
For the demanding fisherman, the SE upgrade makes perfect sense. Your choice of premium colors. Navy Blue, Burnt Red, Black or Jewel Green. Distinctive SE graphics. ProLong live well systems, AirRide pedestals, AM/FM stereo cassette, Tilt steering. It's all here.

1775 Pro-V DLX Signature.
Why not go all the way? Dual 22-gallon ProLong live well systems, Dark Cranberry with 20-oz. Sand Beige carpeting and Sand Beige deck/bottom. Four Signature ProRide seats and lots more.

1775 Pro-V DLX Traditional.

Live well and prosper.
Put the very best at your feet. The huge ProLong live well system rates a water capacity of 22 gallons. Console-controlled drain, fill and recirculation. Bottom-fed aeration. Exclusive removable bait well and heavy-duty debris screens. ProLong live wells are standard in the SE and Signature models. See page 45 for the complete story.
IT'S YOUR OPTION.

There are as many ways to catch fish as there are fish. For all the different systems, presentation methods, and personal secrets, there’s a Pro-V that fits like a glove. Rig a Pro-V Traditional any way you want or turn to the upgrades of SE and Signature Models. There isn't a fishing boat made that provides a smarter layout of features and equipment.

1890 & 1775 Pro-Vs, SEs & Signatures.
- Electronic Command Center.
- Foot trim switch.
- Forward OnDeck bait station (1890 only).
- See pages 27-28 for full specifications.

**Bow ProDeck.**
A fisherman in the bow of a Pro-V is surrounded by the essentials. A Plug-in for the trolling motor. Bow panel trim switch. Storage. A live well. The Signature gets a new OnDeck bait system. Everything is conveniently located and yet totally out of the way leaving room for the most important thing — landing a fish.
Gary Roach is a legendary tiller fisherman. He’s perfected successful back-trolling. And his boat of choice has always been Lund. Same for the tour’s hottest stick, Perry Good, the Roach Edition is his choice, too. It’s input from fishermen like this that make a Pro-V a better boat for fishermen like you. To experience the thrill of a 90-HP tiller, see your dealer.

1775 Pro-V.
There’s no mistaking a Pro-V SE — or its owner. Get right to business and you’ll find the best fishing features in the industry. All put together on a huge, 85-inch beam. Dual ProLong live wells. ProRide pedestal seats. Built-in tackle trays. 12/24-volt bow plug-in.

Electronic Command Center.
When it comes to finesse fishing, a tiller-controlled Lund Pro-V is the only way to go. In fact, Lund’s Electronic Command Center puts all of the boat’s controls and electronics right in front of you. Foot-controlled trim switch. Live well controls. Lights. Your personal electronics. With a tiller in one hand, everything else is still in reach.
100% PRO-V ATTITUDE.
SIZED TO FIT YOUR STYLE.
The 1660 delivers the same off-road attitude as the bigger Pro-Vs. And it’s loaded with the features you want. Tiller and Console models to choose from.

“Lund doesn’t just build a boat to sell it. They get input from the top pros and guides. The result is a boat that’s genuinely useful. That’s why they’re the leaders in the industry.”
Tom Neustrom
Professional Guide

1660 PRO-V DLX TRADITIONAL
1660 PRO-V DLX SE
1660 PRO-V TRADITIONAL
1660 PRO-V SE

1660 PRO-Vs
- Trailerable, stowable Pro-V performance.
- Aerated live well.
- Choose tiller or console controlled,
  Traditional or SE models.

1660 Pro-V Traditional.
A fishing machine that’s unmistakably Pro-V. Loaded with the options thinking fisherman demand. Aerated live well system, bow casting platform, bow trim switch and ProRide seats. Choose from tiller or console control.

Take a bow.
The bow in a Pro-v is second-to-none. The storage at your feet is finished on the inside as well as on the outside. With the option of a ProSelectronics group, you’ll be surrounded by the best equipment on the water.
A BASS BOAT WITHOUT THE GLASS JAW.
A professional bass boat through and through. Built for tough, fast performance. The maneuverability to handle backwater obstacles without flinching. Eight-foot rod lockers and tons of storage. Roomy flippin’ decks.

PRO-V BASS SE
• A fast, high-performance bass machine.
• Dual live wells.
• No-feedback steering.
• SE color options.

“You’ll notice a difference in a Lund. A safer, dryer ride. Precision handling, and always, the ultimate in fishability.
Dan Sura
Television Co-Host of In-Fisherman

Pro-V Bass console.
The Pro-V Bass console is the heart of a high-performance cockpit. No-feedback steering gives you precise, outboard control over as much as 175 HP.
PRO-V

TRADITIONAL
The Lund Pro-V was the first boat designed by professionals for serious fishermen. Today, they are the boat of choice for fishermen everywhere. Available in Flame Red or Midnight Blue with Quicksilver accents. These are the best-equipped fishing boats ever built.
- Dual aerated recirculating live wells (single live well in 1660 models).
- Exclusive Electronics Command Center on tiller-controlled Pro-Vs.
- Bow casting platform and trolling motor plug-in.
- Rod lockers and ample gear storage.

SE
1660, 1775 and 1890 Pro-V SE models have all the legendary features found in the Traditional models plus:
- ProLong live well system.
- AirRide pedestals.
- AM/FM stereo cassette.
- 12/24-volt trolling motor plug-in upgrade.
- Tilt steering in the DLX SE models.

SIGNATURE
There has never been a fishing boat that compares to the new Lund Pro-V Signature. In a striking Dark Cranberry accented by Sand Beige, the 1775 and 1890 Signatures deliver unmatched elegance and style.
- ProLong lighted live well upgrade.
- Exclusive Signature colors and graphics.
- Four ProRide Signature seats.
- Signature color-matched soft-touch dash, glove box and tilt steering wheel.
- 50-watt AM/FM stereo with weatherband and remote control.
- Optional ProSelectronics group.
- 20-oz. Sand Beige carpeting.
1890 Pro-V LE. The industry's state-of-the-art fishing boat.

Traditional Pro-V's available in Flame Red, Midnight Blue and Graphite Grey with Quicksilver accents.

SE models are available in Burnt Red, Navy Blue and Jewel Green — all with Sand Beige accents. Black comes with Quicksilver accents.

The Signature model is immediately recognizable by its Dark Cranberry color and warm Sand Beige accents.
A NEW BOAT FOR THE NEW OUTBOARDS.
The all-new 1650 Anglers have been tuned to be the perfect companion for today’s exciting, economical 50-HP 4-stroke engines. And whether you opt for a little more power or a little less, a new Angler is the best equipped, highest performing fishing boat in its class.

THE ALL NEW ANGLERS.
• Built-in 18-gallon fuel tank.
• Bow ProDeck.
• Aft aerated live well.
• Aft casting platform (DLX only).

STEPPING OUT ON ITS OWN.
The new Angler stands in a class by itself. The dash makes the Angler DLX an exciting performer. A tiller-controlled model gives the finesse fisherman total control. And like all Lunds, you can see that fit and finish is one of the areas where Lund craftsmen excel. Hand-cut, hand-laid carpet fits perfectly all around. Upholstered surfaces are smooth, tight and wrinkle-free. Attention to detail and quality you only get from a Lund.
1650 Angler DLX.
If a tiller is what you're after, Angler can handle as much as 50 HP. The DLX models can take you all the way to 75 HP. However you put your Angler together, you get a lot of boat with money to spare. And it's waiting for you at your Lund dealer.

Angler DLX console.
Curved around the driver. Full instrumentation. Another example of Lund leading the way with the most exciting and functional consoles to ever steer a fishing boat.

Angler electronic storage.
The advantages of Lund's electronic storage areas have hooked every fisherman that's used them. This year the tiller-driven Anglers have them, too. They put you face-to-face with instrumentation, electronics and control.

*From the electronics center to tackle and rod storage, the interior layout is second-to-none. Everything is positioned right where we need it. Fishability, reliability and accessibility make Lund number one.*
Scott and Marty Glorvigen
Professional Tournament Fishermen and Fishing Guides
EXPLORER PRO GUIDE

1600 EXPLORER
1600 EXPLORER DLX
1700 PRO GUIDE
1700 PRO GUIDE DLX

TAKE IT FOUR-WHEELEDING.
Lightweight, tough-as-nails Explorers trailer fast and tow easily. Take it for a ride; then tuck it into your garage. This lean, mean, feature-packed fishing boat puts a Lund experience in the reach of any serious angler.

1600 Explorer

1600 EXPLORERS & 1700 PRO GUIDES.
- Gas tank storage in Explorers, built-in tanks in the Pro Guides.
- Aerated live well.
- Battery storage.

Johnson OUTBOARDS
Evinrude OUTBOARDS
1700 Pro Guide DLX.
Punch it down and split the surface of the lake. The 1700 Pro Guide DLX easily handles up to 90 HP, getting you over fish fast. Custom console control and windshield. Live well/bait well. Bow ProDeck. Rod and battery holders. Also available in a tiller model.

1600 Explorer DLX.
When you’re fishing unfamiliar water, you need a boat with the heart of an Explorer. The 1600 Explorer DLX can be equipped up to 60 HP to cover lots of water in a hurry. Att casting platform increases your fishing coverage. The console control allows you to instantaneously respond to avoid hazards.

Stow it.
The Explorers feature a huge gear storage compartment in the bow. Just lift up the fishing platform and there’s space for a duffle, tackle box and more.
SV-18 ALASKAN

Rugged and wide open SV-18 Alaskan is simply the biggest, toughest, hardest-working boat in its class. There's more than enough space for cargo, gear and passengers. Optional side steering and much more.

LUND ROOTS RUN STRONG AND DEEP.
The Lund tradition of excellence began right here. Rugged, no-nonsense fishing boats built to take years of punishment. Perma-ply bench seats never get too hot or cold. Solid corner and bow castings. Seats riveted down the side and across the bottom. Double riveted seams. You'll still be pulling fish into your SV long after other boats are sold for scrap.
RIVETED FOR YOUR PROTECTION.
Take a close look at a 747 the next time you're at the airport. Every seam is riveted, just like a Lund boat. Even though our aluminum craftsmen can lay down the smoothest welds in the industry, we double-rivet every seam for unparalleled strength. After all, there's a lot riding on every boat we put on the water – your safety.

16 LAKER, 14 LAKER.
The compact, tough-as-nails 16 Laker and 14 Laker handle easily and are built to fish. Flat floor with vinyl covering. Rod holders. Aerated live well. Gas tank storage. What else do you need?
LUND QUALITY.
ADVENTURE SERIES PRICES.
Adventure Series boats are a classic example of Lund giving you exactly what you want. Wherever we could, we saved you money without compromising quality. See your Lund dealer for an Adventure Series boat that’s perfectly suited to your tastes — and your budget.

The fishing boat you’ll want to ski behind.
Fish all morning and pull skiers all afternoon. 1700 Pro Sport is the versatile choice for the serious angler, the serious skier, and a must for the family cabin. Walk-through windshield opens to roomy V-berth. Converts to casting platform with ProDeck conversion. Deck mounting pad and trolling motor plug-in. Deep, roomy aft section holds plenty of fishermen and skiers.
1800 Fisherman I/O.
1800 Fisherman I/O handles up to 165 HP. There are two aerated live wells in the bow and jump seats on either side of the motor cover in the aft. This boat is designed for the serious fisherman.

1800 Fisherman.
There isn’t another boat on the water that packs so many essential fishing features into such an affordable boat. Bow casting platform. Dual aerated live wells. Storage all around. You’ll see Lund quality in every corner of this boat.

1700 Fisherman.
The 1700 Fisherman sports a hefty 65-inch beam for a stable ride and plenty of elbow room. Handles up to 115 HP to get you to the hot spots fast. Bow casting platform. Aft casting platform. Aerated live well and built-in 20-gallon gas tank for non-stop fishing action.

ADVENTURE SERIES

YOUR ANGLE ON ADVENTURE.
Pro Angler is a full-featured, portable, stowable, fishing machine. And the value is unbeatable. The DLX model features the confidence of steering wheel performance. The tiller fisherman can grab on to as much as 60 HP.

1700 Pro Angler

1600 Pro Angler DLX.
The 1600 Pro Angler DLX gives you console control. Bow trolling motor plug-in. Reward yourself with a few little extras like an optional air ride pedestal seat.
1700 Pro Angler DLX.

Definitely not for backseat drivers. The 1700 Pro Angler DLX’s custom console puts you right up front. Built-in 20-gallon fuel tank feeds up to a 90-HP motor.

1600 Pro Angler.

Get right down to business with an aerated live well, gear storage, rod lockers, and bow platform with a trolling motor plug-in. We’ve put together a professionally-styled fishing boat at a great value.
Rebel DLX console.
The new Rebel DLX console takes a Lund approach to utility performance and style.
16 Rebel.
Flat-floor stability, aerated live well, bow casting platform and folding pedestal seats. Double-riveted seams. Enduring fishing essentials are standard fare on the 16 Rebel.

14 Rebel.
This compact workhorse is perfect for light maneuvering — especially in backwater channels. Use the bow platforms for rigging, jigging and casting. Rod locker. It's all here.

REBEL ATTITUDE, CONSERVATIVE PRICE.
The Rebel is the right way to get fishing. A perfect balance of price, features and performance. Lightweight and rugged with a flat floor, lockable storage and high gunnels for safety, dry running. Built to get the most out of smaller motors. Getting into Lund fishability has never been easier — or smarter.

OPTIONAL EQUIPMENT
• Factory O/B pre- rigging (16 DLX)
• Windsheild (16 DLX)
• Mooring cover
• Arm rests
FAST AND MEAN.
This big, beautiful bass-fishing machine looks as good blasting across the lake as it does searching the backwaters. The Black 1790 Bass SE cuts a low, lean, striking profile. And the SE features a ProLong live well system.

Hawg heaven.
For a tournament-caliber bass boat, you simply cannot find a better value. Multi-compartment storage. Roomy platforms. Precise control for positioning around the structures bass love. 1790 Bass makes even die-hard glass-boat fisherman think twice.
BASICALLY, AS TOUGH AS THEY COME.
A day of trouble-free fishing starts with the WC-16, WC-14 and WC-12. These basic Lunds are strong, durable, corner and bow caps and oar locks are solid cast aluminum. Gunnel rails are single-piece extrusions. It's attention to detail like this that puts every Lund in a class by itself.

A-14
This lightweight, portable Lund goes anywhere. The perfect choice for a quiet day alone in your favorite fishing hole. Weighs just 130 pounds and handles up to 10 HP. Bow and stern handles. Bow eye. Optional mooring cover.

FISHING SIMPLICITY.
Pop them in the back of your truck or on top of your car. The A-14 and the A-12 are small and lightweight enough for two people to handle easily. 15” transom. Cast aluminum oar locks. Bow and stern handles.
THE INSIDE STORY.

There’s a reason a used Lund has more life in it than most other boats do when they’re new. It’s all in the way a Lund is put together. Nothing gives you the strength, durability and weight advantages of aluminum. And no one puts together aluminum better than the craftsmen at Lund.

From the precise fit and finish on the outside, to the wave-handling toughness in the guts of the hull, a Lund boat is a cut above the competition.

Deep in the hull you’ll find longitudinal, aluminum stringers running from the transom to past amidship. Our twin-plating and exclusive I-beam system tie them to the transverse stringers in the bow, creating a unified, unyielding structure. Marine-grade aluminum is precisely fitted and double-riveted along every seam creating a hull unparalleled in the industry. Our poured flotation foam fills every corner and crevice. It quiets the ride, strengthens the hull, improves safety and surpasses government standards.

Then we finish our boats with the best polyurethane paint available. It doesn’t crack, chip or yellow.

And every year we push the standards of quality and performance a little bit higher. This is what has made Lund the industry leader since we crafted our first boat over 47 years ago.

THE MOST ADVANCED LIVE WELL SYSTEM EVER MADE.

Timed aeration, lights, draining, filling and recirculation – all fingertip controlled. These huge live wells have long been recognized as state-of-the-art. Feature for feature, ProLong live wells outperform the imitators.

The exclusive bait well system with unique lift-out liner keeps bait lively and fresh like no other.

ProLong live wells feature console control of filling, draining, recirculation and timed aeration.

Bow and aft live wells are positioned for optimum weight balance when running and for optimum convenience to anglers anywhere in the boat while fishing.
ACCESSORIES AND OPTIONS EXCLUSIVELY FROM LUND.

When you own one of the best boats on the water, you need the premium Lund clothing to match.

Rain or shine, you'll stay comfortable in rugged Lund sportswear.

Sweatshirts, t-shirts, jackets, windbreakers, caps—all top quality just like our boats.

Protect your investment in Lund quality with a canvas mooring cover. Perfect for dockside or storage.

For comfortable boating under any condition, the complete canvas top-set keeps you warm and dry.

A stand-up canvas top keeps you at the wheel—and you and your passengers out of the elements.

If you spend a lot of time fishing with a partner, look into the option of a port-side console.

An aft casting platform makes more room for fishing and storage.

A long day of fishing is a comfortable day in a Lund seat. Ask your dealer about options like arm rests.

No one pre-rigs better than Lund. Let the experts connect the power to your new Lund boat.

Nothing says class like an optional color-matched motor. Ask you Lund dealer for full details.

Lund's Selectronics group puts the world's finest electronics on the world's best fishing boats.

ONLY THE HIGHEST STANDARDS.
Every Lund boat is built to meet or exceed the highest standards
set by NMMA, the Coast Guard and the American Boat and Yacht
Council. But first, every Lund must pass the toughest test of all —
our own standards for quality and craftsmanship.

LUND QUALITY — OUR WARRANTY
GUARANTEES IT,
OUR RESALE VALUE PROVES IT.
Every Lund hull is warranted for 10 full years from the date of
purchase by the original owner. When you buy a Lund boat, you
become part of the Lund family — and part of our tradition of
excellence. When it comes time to sell your Lund boat, your
investment in Lund quality will be rewarded.

THE LUND EXPERIENCE BEGINS
WITH THE FINEST DEALERS AROUND.
Because we build the best boats on the water, we can afford
to be selective with who sells them. When you see the Lund sign
hanging in the window, you know the dealer inside meets Lund's
strict standards for customer satisfaction. Stop by any of our
dealers, and you'll see why they've earned the right to carry
the Lund line.

THANKS TO THE PROFESSIONALS
WHO MAKE LUND BOATS HAPPEN.
Without the dedicated efforts of the Lund craftsmen who build
our boats, and the professional fishermen who help design them,
the Lund tradition of excellence would not be possible.
Thank you.

NOTE:
Some photos of Lund boats in this catalog show factory and/or
dealer installed options. Photographs are taken under controlled
conditions.

While every effort is made to depict safe boating, the photographs
are not intended to serve as examples of correct boat procedures.
While boats photographed are equipped with USCG-approved life
jackets and other required safety gear, these are not necessarily
visible in all photographs.

Because Lund is dedicated to constant product improvements, the
specifications, options, color selections and model availabilities
of our boats are subject to change without notification.

Special thanks to:
