LUND
50th
1948 - 1998
A TRADITION OF QUALITY
1998
Fifty years on the water and closing in on perfection.

In 1948, aluminum boats were considered new-fangled and untrustworthy. Too light. Not durable. Forget it. That’s what the experts said, but Howard Lund knew better. He was sure that, with the right design, aluminum would make a better boat than anything else available.

Howard didn’t kid around about quality — or safety on the water. He was a perfectionist who demanded the same of any boat that would carry his name. So he ignored the naysayers, stuck to his guns, and introduced a new generation of Americans to a new generation of boating. Lightweight and durable. Safe and exciting. Attractive and practical. A value that endures.

We haven’t forgotten these principles. They’re what every boater wants. They’re what made Lund the most dependable name in boating. So, in the spirit of our fiftieth anniversary, and in the tradition of our company’s unwavering commitment to the highest standards of quality, we’re offering three new Anniversary Edition Lunds that represent everything that sets our boats apart. All the innovations, all the thoughtful designs and precision engineering, all the major breakthroughs and smart little extras.

One of these new Lunds is the boat you’ve always wanted. As you take a closer look to see what makes them so special, keep in mind that these boats share more than a name. They share a legacy of advanced design. They share a heritage of setting industry standards. And, above all, they share a history of unmatched customer satisfaction. Other boats come and go, but Lunds go on forever.
Thanks for fifty years — but you ain’t seen nothing yet.

Dear Lund Customer,

All of the excitement and ceremony surrounding our fiftieth anniversary can take the focus off of what’s truly significant about the event. What’s most important is that — despite changing tastes, evolving needs and ever-advancing technology — we’ve been able to satisfy your needs for half a century.

We’ve done it the hard way. We haven’t taken a shortcut in fifty years and it shows in our rock-solid reputation for building a better boat. We’ve spent five decades learning the needs and wants of our customers. And we’ve worked long hours with the guides and pros who know what makes a better boat.

We’ve done it by hiring the smartest minds and most dedicated employees in the business. Five hundred of them renew their individual commitment to quality every day in New York Mills, Minnesota, and Steinbach, Manitoba.

But before we’ve made a single decision, we’ve listened to what you’ve had to say. Lund customers are the true architects of Lund boats. If you don’t like something, you won’t buy it. If you’ve got a need, we’ve got to fulfill it first and best. And we have for fifty years.

But the next half century is the one to watch. At Lund we’re already driving the boating industry top speed into the twenty-first century. Thanks for helping us get this far. Now hop in and let’s go for the ride of your life.

Larry Lovold, President
You’ll never worry in a Lund.

We’re proud to be known as the most dependable boat you can buy, and we fulfill those expectations by insisting on the highest standards of construction in every boat we sell. We start by running longitudinal stringers deep in the hull from transom past amidship. Then we tie them to transverse stringers in the bow with our twin-plating and extruded I-beam system. Our hull is marine-grade aluminum, precisely fitted and double-riveted along every seam. The result is the most unified, unyielding boat structure on the water. We also pour flotation foam into every square inch for a smoother, quieter ride, a stronger hull, and improved safety. Finally, we finish every boat with advanced polyurethane paint that won’t crack, chip or fade. That’s how we build every Lund. Take a look at what makes our boats the very best.

NEW HIGH-PERFORMANCE PAINT SYSTEM

Lund and PPG have formed a strategic alliance to create the most advanced marine painting system ever available. Our new high-performance paint is based on superior automotive painting systems that ensure not only a more luxurious finish, but also improved resistance to chipping, peeling and cracking. You’ve never seen a boat finish like it—and you’ll only see it on a Lund. And you can conveniently get replacement and touch-up paint at your local PPG Automotive store.

INDUSTRY LEADING WARRANTY

Lund Boat Company warrants to the first retail purchaser from an authorized Lund dealer that their 1998 model year boat is free from defects in material or workmanship at the time the boat is delivered, subject to coverage guidelines. If a defect in material or workmanship is discovered in a double-riveted seam or in a wooden floor or deck at any time, while owned by the original purchaser, Lund will repair or replace, at its sole option, any part found by Lund to be defective. If a defect in any other part of the hull or deck is discovered within ten (10) years after date of purchase, Lund will participate in the repair of the part of the boat found by Lund to be defective according to Lund payment schedules. See your Lund dealer for details.
Lund’s exclusive ProLong live well system.

At Lund we’re proud to do everything we can to enhance the world’s fisheries — and ProLong live wells do more than any other live well ever designed. The spacious, easy-to-access system is loaded with exclusive features that make it easier for you. But what’s more important, you’ll agree, is the unique engineering design that keeps fish alive and healthy longer than any other system. With timed-aeration, lighting, draining, filling and recirculating — all an arm’s length away and controlled from your fingertips.

Aeration tube

Removable bait well

Threaded debris screen

The smart way to protect your pump and valve from clogging or damage. 

1. Waterproof light

Removeable drain plug

2. Flush-out drain. In Pro-V models, lets you quickly and easily dump all the debris that accumulates in the catch basin — without running it through the pump.

3. 22-GALLON WATER CAPACITY

Recirculation and fill

Three-position valve allows you to fill, recirculate and drain from a single control. Low-drifting pumps for both bow and aft live wells prevent air-lock.

Overflow through transom

Diagram not to scale.

FRESHER BAIT

Lund’s exclusive aerated bait well system features a unique lift-out liner that keeps bait livelier longer. And they are perfectly positioned for the ultimate in speed and convenience.

MORE ROOM AND SECURITY FOR ALL YOUR GEAR

We fish. We know you have lots and lots of rods. We know you like to move fast without having to worry about tangles and tight crevices. With Lund’s spacious, lockable rod lockers, you won’t have to.

A SMOTHER RIDE

ProRide seats and AirRide pedestals are the kind of extras that keep you smiling.

FISH AND SKI

Smart thinking, like ProDeck bow conversion, turn one Lund into two boats.

ELECTRONIC COMMAND

With a Lund, you have complete boat control without ever leaving your seat.

EXTRA STORAGE

You can never have enough gear — or storage. In a Lund it’s everywhere.

All-day wide-brimmed protection from sun and rain.

**INTEGRATED TACKLE TRAYS**
Removable trays for superb convenience. With top-hider.

**PORT-SIDE CONSOLE**
The perfect port-side option for frequent passengers.

**AFT CASTING PLATFORM**
Increase your room for fishing and storage.

**ANNIVERSARY CHAIRS**
Commemorative styling that's sturdy and comfortable.

**EXPERT PRE-RIGGING**
Professional pre-rigging for optimum performance.

**EXCLUSIVE COLOR-MATCHED MOTORS**
Total rig matching — boat, motor, truck, and trailer.

**SELECTRONICS PACKAGE**
The finest electronics specially selected by Lund.
Sport and Fish Series
Big confidence on big water.

Bigger storms. Bigger swales. Bigger worries when you’re nine miles out. You don’t cut corners out here. You get a Lund Baron. You’ll feel safer all the time, you’ll have more room to spread out, you’ll have the finest appointments and fishing features from aft to bow. And you’ll look as good as you feel.

2150 BARON MAGNUM.
- 21”5” with 96” beam.
- Built-in 80-gallon fuel tank.
- New ProPlus reserve fuel system.
- Dual Prolong live wells.
- ProRide seats and AirRide pedestals.
- Navigational, interior, and dash lighting.
- Hydraulic steering with padded tilt wheel.
- Soft-touch dash with 12V receptacle.
- AM/FM stereo with four speakers.
- Easy-access battery storage.
- Stand-up canvas top.
- Dual bilge pumps – one automatic.

2150 O/B EXCLUSIVES.
- Rated for outboards up to 225 HP.
- 25” transom.
- Six seat bases.
- Aft bait well system.

2150 I/O EXCLUSIVES.
- Two aft jump seats.
- Lighted instrumentation.
- Insulated motor cover.
- Mercruiser or Volvo controls.
2150 BARON MAGNUM GRAN SPORT I/O.

Enjoy total Baron Magnum performance plus the power, economy and convenience of the industry's most reliable I/O. Lund I/O's give you the quietest, cleanest-running, and most cost-efficient ride on the water.

2150 BARON MAGNUM GRAN SPORT

STAND-UP CANVAS.

Baron's stand-up canvas top set pops up in no time, giving you an immediate shelter that keeps you warm and dry — or simply shaded from too much sun. The durable, high-quality canvas is built to resist the elements.

Bill Myers. Owner. Pointer Scenic Cruises — Big Fork, Montana
Lund owner since 1994

AFT LIVE WELLS AND BAIT WELL.

The Baron outboard model features two illuminated Prolong live wells and our unique bait well system. These Lund exclusives are positioned aft, conveniently out of the way and in perfect position for fast, easy access.

Johnson®
OUTBOARDS

Powered by a dependable Johnson outboard.
More boat, more choices.

Chase fish nine miles out or ski in the nearest bay. Run wide open or cruise all day. Relax in the sun or troll under the top. You want it all and more. You want total comfort, total control, total confidence. You want speed, performance and dependability. And you want to look great. Sounds like you want a Tyee Magnum.

1950 Tyee Magnum
• 19' 8" with 90° beam.
• Dual ProLine live wells.
• ProRide seats and AirRide pedestals.
• Soft-touch dash with 12V receptacle.
• No-feedback tilt steering.
• AM/FM cassette stereo.
• Padded low bolsters.
• Bow ProFowl conversion.
• Easy-access battery storage.
• Complete canvas top with storage.
• Built-in tackle trays.
• Dual bilge pumps — one automatic.

1950 Tyee O/B Exclusives
• Built-in 60-gallon fuel tank.
• New ProPlus reserve fuel system.
• Rated for outboards up to 200 HP.
• Color-matched outboard options.
• Navigational lighting.
• Interior lighting.
• Aft bail well system.
• Aluminum-encased transom.
• Self-draining splash pan.

1950 Tyee I/O Exclusives
• Built-in 55-gallon fuel tank.
• New ProPlus reserve fuel system.
• Two aft jump seats.
• Lighted instrumentation.
• Full instrumentation, including voltmeter, oil pressure gauge, temperature gauge, trim gauge, speedometer, tachometer and bilge blower.
• Insulated motor cover.
• Mercruiser or Volvo controls.
1950 TYEE MAGNUM GRAN SPORT I/O.

The 1950 Tyee I/O employs automotive technology to create a cleaner, quieter ride. Available with Volvo or Mercruiser power, Tyee I/O's also feature integrated tackle storage and a variety of great options.

WRAP-AROUND SPORT CONSOLE.

The wrap-around sport styling features a tilt wheel with no-feedback steering, plus soft-touch construction and a padded steering wheel. You’ll love the way your Lund Tyee puts total boat control right at your fingertips.

PROPLUS RESERVE FUEL SYSTEM.

With a built-in 60 gallon fuel tank and a reserve fuel system Tyee offers more range and more freedom.

LIVE WELL CONSOLE CONTROL.

You can fill, drain, recirculate and set timed aeration for your ProLong live wells right from the Tyee console.

“..."We built the first Tyee in 1979 — 19 years and there’s still nothing else on the market that compares."  
Paul Johnson, director of engineering  
Lund engineer since 1983.

Johnson OUTBOARDS
Powered by a dependable Johnson outboard.
New Anniversary Edition Tyee.

We challenged our craftsmen and engineers to create the perfect Lund. With peerless construction. Enhanced performance. Luxury, responsiveness, and comfort. Unprecedented fishability. They came through with the new Anniversary Edition 1850 Tyee—fifty years of expertise and commitment fused in one extraordinary boat.

1850 TYEE GRAN SPORT.
- 18’ 5” with 89” beam.

The 1850 I/O offers all 1850 Tyee standard features plus two aft jump seats, lighted instrumentation, an insulated motor cover, Mercruiser or Volvo power, and an extremely quiet, clean-running ride.

Anniversary Edition appointments.

The Anniversary Edition offers unique features and appointments, plus special graphics and styling.

Aft ProDeck/Dual Live Wells.

The Anniversary Tyee features two aft ProLong live wells and the aft ProDeck conversion for superior fishability.
TYEE

1750 TYEE GRAN SPORT
1750 TYEE GRAN SPORT І/О

The ultimate thrill in big water.
You've never been in a boat that's so fast and nimble and fearless in big water. Hit the throttle and you're in for an exciting ride. Look around and you'll see that you're in total control, with superior performance features right at your fingertips. Ski, fish, turn the excitement meter from easy to key. Do it all in a 1750 Tyee.

1750 TYEE GRAN SPORT.
- 17’6” with 8’7” beam.
- ProRide seats and AirRide pedestals.
- No-feedback tilt steering.
- Sporty dash and console styling.
- Soft-touch dash with 12V receptacle.
- AM/FM cassette stereo.
- Bow ProDeck conversion.
- Complete canvas top with storage.
- Easy-access battery storage.
-Built-in tackle trays.
- Extensive options.

1750 TYEE O/B EXCLUSIVES.
- Built-in 32-gallon fuel tank.
- New ProPlus reserve fuel system.
- Rated for outboards up to 150 HP.
- Color-matched outboard options.
- Dual ProLung live wells.
- All-bait well system.
- Full lighting package.
- Aluminum-encased transom.
- Self-draining splash guard.

1750 TYEE І/О EXCLUSIVES.
- Built-in 27-gallon fuel tank.
- New ProPlus reserve fuel system.
- ProLung live well.
- Two aft jump seats.
- Litigation instrumentation.
- Full instrumentation, including voltmetor, oil pressure gauge, temperature gauge, trim gauge, speedometer, tachometer and bilge blower.
- Insulated motor cover.
- Mercruiser or Volvo controls.
I always look to Lund for innovations and smarter boat designs and they come through year after year.

Gary Alderman, fisherman
Lund owner since 1980

The 1750 Tyee I/O is one of the most exciting boats you'll ever take onto big water. It's built with classic Lund construction so it stands up to heavy use and abuse, plus it's light and nimble for ultra fast performance.

Bow ProDeck Conversion.

Lund's unique bow conversion lets you switch from total comfort to total fishability in a snap. Just stow the bow cushions, slide and lock the ProDeck in place, insert your seat and you're in the perfect position to fish.

Convenient Battery Storage.

Easy-access battery storage lowers the center of gravity for a smoother, more balanced ride.

Deluxe Seats.

Lund seats absorb big-water pounding to give you total comfort every minute you're on the water.

Evinrude Outboards

Big news in tournament fishing.

If you're looking for more space, look inside the new 2025 Pro-V. The huge 95′ beam gives tournament-caliber fishermen more room for more features, more storage and more fish-fighting area. It's the perfect multi-species fishing boat, with extra performance for improved versatility, functionality, and fishability.

2025 PRO-V.
- 20′6″ with 95 1/2″ beam.
- Deep 28″ transom.
- Refined hull for smoother performance.
- Dual Pro long live wells and bait wells.
- ProRide seats and AirRide pedestals.
- Navigational and interior lighting.
- 12V in-dash power receptacle.
- AM/FM stereo with cassette.
- Dual rod lockers; increased storage.
- Easy-access battery storage.
- Thru-hull fresh water pickup system.
- Dual bilge pumps - one automatic.

PRO-V MAGNUM SE EXCLUSIVES.
- Largest Pro-V ever available.
- Rated for outboards up to 225 HP.
- Vast interior space easily accommodates four fishermen and all their gear.
- Built-in 60-gallon fuel tank.
- New ProPlus reserve fuel system.
- Loaded with virtually all Lund standard options and fishing features.
- Hydraulic tilt steering.
- Electronics locker.
- Windshield.

PRO-V MR. WALLEYE EXCLUSIVES.
- Largest tiller model ever available.
- Rated for outboards up to 125 HP.
- Vast interior space improves fishability.
- Built-in 60-gallon fuel tank.
- New ProPlus reserve fuel system.
- Electronics Command Center.
- Foot trim switch.
- Tiller console with windshield.
- ProTrack driver's seat positioning.
- Large bow-mounting pad.
- Vast amounts of storage.
The new 2025 Pro-V Mr. Walleye is the largest tiller model ever available. It’s rated for outboards up to 125 HP and features a built-in 60-gallon fuel tank and ProPlus reserve fuel system designed for nonstop fishing.

Lund’s exclusive bait well system is the best way to keep bait lively — and the 2025 Pro-V gives you two, aft and bow. The innovative system features a unique lift-out liner that keeps bait fresher so the bite lasts all day long.

“I’ve trusted my Lund for over 25 years because I know that they’re just like me — they’ll always go the extra mile to catch more fish.”

Al Lindner
Host, In-Fisherman TV

Big 2025 Pro-Vs offer an abundance of floor space — with loads of fishing-fighting room and extra storage.

Set up all your electronics in a single, lockable space. And ask your dealer about optional Lund Selectronics.
PRO-V

1900 PRO-V LE
1900 PRO-V SE
1900 PRO-V MR. WALLEYE
1900 PRO-V GARY ROACH EDITION

What a pro looks for.
People who make their living catching fish don't agree on everything. Just some things. Like dependability and fishability. Having everything you need to control the boat and find fish right in front of you. Plenty of room to move. Comfort, good looks (hey, you're a pro) and a choice of options to make this boat your own.

- Expanded bow storage.
"Mr. Walleye is the only boat I know that's perfect for every type of walleye fishing. This Pro-V really lives up to its name."

Gary Roach, "Mr. Walleye" Lund owner since 1968

The 1900 Pro-V Mr. Walleye has all 1900 standard features, plus our unique tiller console design, Electronics Command Center, ProTrack driver's seat positioning, seven-foot-plus dual rod lockers, and extra storage.

The 1900 SE also offers all 1900 standard features and a 200 HP rating with a 20° transom. Other SE features include a windshield, no-feedback tilt steering, an electronics locker, and special molded console.

This Gary Roach edition is a classic tiller design, with plenty of floor space and Lund's finest fishing features.

The 1900 LE puts all fishing essentials an arm's length away and gives you more freedom than ever to fish.

Lund Pro-V's are the only tiller boats that offer serious walleye fishermen console function and convenience.
New Anniversary Edition Pro-V.

Watch our team of professionals put together a Lund and you'll know why the legend lives on. They share a near-fanatical obsession with perfection that transforms every part and process we use into the greatest fishing machines ever built. They've done it again with this new Pro-V. Get in and make your own fishing history.

OUR MISSION

Be the best company in the aluminum recreational fishing boat industry and to lead our industry by providing our customers with the finest aluminum fishing boats. All Lund products will be of the highest quality and latest design with a focus and dedication to customer service and satisfaction.

1800 PRO-V ANNIVERSARY EDITION - BLACK.

Special Anniversary Edition styling and graphics make this new 1800 Pro-V a sight to behold both on the water and on the road. And it's pure Pro-V, with the world's smartest fishing features and Lund dependability.

1800 PRO-V ANNIVERSARY EDITION

Shown with optional Lund carpet and matching interior.

DUAL PROLONG LIVE WELLS.

Lund ProLong live wells are the most advanced systems available. You control timed aeration, lighting, draining, filling and recirculation from a single console. And you'll find them both bow and aft on all Pro-Vs.

STYLISH, TOTAL CONTROL CONSOLE.

The 1800 Anniversary Edition's sporty console puts legendary Lund performance features at your fingertips.

LUND PRO-V CONSTRUCTION.

Every Lund Pro-V is twin-plate and built with I-beam construction. They are the toughest boats on the water.

Johnson OUTBOARDS

Powered by a dependable Johnson outboard.
The perfect Pro-V combination.

High-end performance and complete fishability — the 1775 has it all. This baby commands the water with speed, power and grace. No wonder it's Lund's most popular boat. It's also loaded with famous Lund fishing features and our legendary double-riveted V-hull for unmatched dependability.

1775 PRO-V
- 17' 6" with 85/11" beam.
- Built-in 32-gallon fuel tank.
- New ProPlus reserve fuel system.
- Dual ProLong live wells and bait wells.
- ProRide seats and AirRide pedestals.
- Navigational and interior lighting.
- Easy-access battery storage.
- 12V/24V bow and aft trolling motor plug-ins.
- Dual rod lockers.
- Increased storage.

1775 PRO-V EXCLUSIVES.
- Rated for outboards up to 75 HP.
- Electronics Command Center.
- Foot trim switch.
- Deep 20" transom.
- Refined hull for smoother performance.
- Three ProRide seats; five seat bases.
- Generous fish-fighting space.

1775 PRO-V SE EXCLUSIVES.
- Rated for outboards up to 150 HP.
- Stylish, highly functional console.
- No-feedback tilt steering.
- Windshield.
- Three ProRide seats; four seat bases.
The 1775 features the Pro-V’s best features, including the Electronics Command Center, foot trim switch, dual ProLong live wells and bait wells, ProRide seats, AirRide pedestals, dual rod lockers, and extra storage.

SPACIOUS BOW.

Stop into the bow area and you’ll marvel at all the space. There’s plenty of room to move and fight fish without feeling pinched. And there’s plenty of features, including Pro Long live wells, bait stations, and electronics control.

DUAL ENGINES/DUAL CONTROLS.

Every Pro-V is available with an optional kicker pre-eng that allows you to control both motors from the console.

PRORIDE SEATS/AIRRIDE PEDESTALS.

This exclusive Lund design makes every ride smoother and every day in the saddle a lot more comfortable.
Practical tournament performance.

Maybe your neighbor is a championship angler and you don’t know it. Maybe he has a 1660 Pro-V tucked in his garage. It’s small enough to store out of sight, yet plenty big where it counts. It’s all Pro-V, so you’ll find it’s loaded with superior fishing features and all the floor space you need to gear-up and fight fish.

1660 PRO-V.
- 16’3” with 79” beam.
- Built in 21-gallon fuel tank.
- New ProPlus reserve fuel system.
- Deep 20” transom.
- Refined hull for smoother performance.
- Dual Prolong live wells.
- Att bait system.
- ProRide seats and AirRide pedestals.
- Navigational and interior lighting.
- Dual rod lockers.
- Increased storage.
- Easy to trailer, stores in nearly any garage.

1660 PRO-V EXCLUSIVES.
- Rated for outboards up to 60 HP.
- Electronics Command Center.
- An abundance of space for electronics.
- Accommodates 3 pedestal seats.
- Generous fish-fighting space.

1660 PRO-V SE EXCLUSIVES.
- Rated for outboards up to 115 HP.
- Functional molded soft-touch console with an ergonomic design.
- Multiple electronics mounting areas.
- No-feedback tilt steering.
- Windshield.
- Accommodates 4 pedestal seats.
“Pro-Vs are the standard that serious customers measure against. They are considered the ultimate in quality.”
Chad Hall, 3-time PWT champion
Lund dealer since 1987
Lund owner 1983

Along with standard features like dual Pro-Long live wells and rod locker, the 1660 Pro-V SE also offers a functional molded soft-touch console, windshield, and tilt steering with no-feedback control.

The 1660 Pro-V is the only tournament-caliber fishing boat that fits easily in any garage — what convenience!

The 1660 Pro-V SE also features an ergonomic soft-touch console designed for the ultimate in functionality.

Lund’s exclusive color-coordination package matches boat, motor, truck and trailer. Ask your dealer for details.

Optional on all Pro-V’s, the on-board battery charger makes sure you have power when you need it most.
Sportsman Series
New Anniversary Edition Mr. Pike.

Twenty years ago, the original Mr. Pike established Lund as the undisputed leader of fishing boat design. Today we’re proud to introduce a commemorative edition boat that blends the timeless Mr. Pike design with Lund’s most advanced fishing features. You’ll also find legendary Lund construction to make sure the legend lives on.

MR. PIKE 16.
- 16' 3" with 80" beam.

- Aft and bow seat systems.
- ProRide seats and AirRide pedestals.
- Soft-touch console with AM/FM stereo.
- Tilt steering.

1650 ANGLER.
- 16' 3" with 80" beam.
- Rated for outboards up to 50 HP.
- Built-in 18-gallon fuel tank.
- Navigational and interior lighting.
- Electronics Command Center.
- Bow ProDeck.
- Auto-timed aft aerated live well.
- 12V bow trolling motor plug-in.
- Dual rod lockers.
- Increased storage.

1650 ANGLER/SS.
- 16' 3" with 80" beam.
- Rated for outboards up to 90 HP.
- Built-in 18-gallon fuel tank.
- Auto-timed aft aerated live well.
- Aft casting platform.
- Comfortable Lund fold down and pedestal seats.
- Custom Side Steering Console.
- Windshield.
1650 ANGLER SS.

The 1650 SS offers standard Angler features like a built-in 18-gallon fuel tank, bow ProDeck and dual rod lockers. It also features an auto-timed live well and custom console control with windshield.

1650 ANGLER.

The 1650 Angler is rated for outboards up to 50 HP. It features an auto-timed live well, Electronics Command Center, solid seat pedestals, bow ProDeck, aft casting platform, dual rod lockers, and full lighting.

EXCLUSIVE MR. PIKE ROD RAMP.

MR. PIKE features a new rod ramp conveniently located adjacent to the console. Also includes strap tie-downs.

COMFORTABLE SPORTSMAN SEATS.

Along with dual ProLong live wells and tilt steering, Mr. Pike also offers fishing's most comfortable ride.
Outfight Mother Nature.

Anglers take rough water and ugly weather in stride. The double-riveted V-hull and inverted rail construction give you the ultimate confidence on the water. And you'll find classic Lund fishing features all around, so you can outmaneuver, outrough and outlast whatever Mother Nature throws your way and still drive away with the fish.

1600 ANGLER.
- 15.3" with 76" beam
- 1500 rated for motors to 50 HP; SS rated for motors to 75 HP
- Built-in 15-gallon fuel tank
- Auto-timed aerated live well
- Comfortable Lund seats
- Bow ProDeck

- Deck mounting pad
- 12V bow trolling motor plug-in
- Rod lockers and extra storage
- Plug-in wire harness
- Navigational and interior lighting
- Console and windshield (SS)

The 1600 Angler features a built-in 15-gallon fuel tank, auto-timed aerated live well, bow ProDeck, comfortable pedestal seats, a 12V bow trolling motor plug-in, and dual rod lockers.
Put yourself in perfect position.
You want the best fishing features plus total boat control at your fingertips. You want an open cockpit and plenty of floor space. You want to be able to haul, trailer and store your rig without any trouble. You want dependability and economy. You want Lund quality from stern to bow. You want the 1600 Explorer.

1600 Explorer.
- 16'3" with 75" beam.
- 1600 rated for motors to 45 HP.
- SS rated for motors to 60 HP.
- Aerator live well.
- Comfortable pedestal seats.
- Bow ProDeck.
- Deck mounting pad.
- Lockable rod locker.
- Gas tank storage, bow storage.

New V-bottom goes to extremes.

Tough water will beat up an ordinary boat faster than you can say "bail." It's also the inspiration behind Lund Alaskans. They're as tough as any fishing boat ever. Plus, they give you an assortment of control options so you pick the way you want to fish. 16- and 18-footers feature new, true V-bottom hulls for enhanced comfort and handling.

20 ALASKAN
- 20'1" length with 85" beam
- Center, dual, and side consoles
- Huge open flat vinyl floor
- Built-in 6 gallon gas tank
- Pedestal seating
- Rod lockers

SSV ALASKAN
- New true V-bottom hull
- SSV 18' 18.5" with 76" beam
- SSV 16' 16.5" with 76" beam
- Large open flat vinyl floor
- Side-steering console (SS)
- Pedestal seating, plus options

The 20 Alaskan offers you a choice of dual, center, or side-steering consoles, plus a huge open flat vinyl floor, a built-in 20 gallon gas tank, pedestal seating, rod lockers, and options.
LAKES

Don’t sacrifice your priorities.
Lakers are loaded with fishing features and classic Lund double-riveted construction for all-around fishability, safety, and durability. They’re an ideal way to economize without sacrificing the essentials of successful fishing.

LAKER:
• 16' 16" length with 72" beam.
• 14' 14"2" with 69" beam.
• Open cockpit; spacious interior.
• Flat floor with vinyl.
• Aerated live well.
• Storage compartment.
• Structurally superior fishing boat.
• Economical performance.
• Bilge pump.
• Gas tank storage.
• Rod holders.
• Navigational lighting.

SSV

NEW 1998

SSV 18
SSV 16
SSV 14

New V-bottom; timeless quality.
For 1998, we’ve made the SSV longer, wider and deeper, and we’ve added a new, true V-hull for enhanced comfort, control and performance. You’ll enjoy a smoother, safer ride — plus an aft split seat and hidden gas tank storage.

SSV:
• New true V-Bottom hull.
• SSV 18: 18'6" with 75" beam.
• SSV 16: 16'2" with 71" beam.
• SSV 14: 14'2" with 69" beam.
• Solid seat braces; split rear seat.
• Gas tank storage.
• Level flotation compliance.
• Choice of 15" or 20" transom.
• Bow deck.
• Battery holder.
• Extra seating.
• Walk-through seat (SSV 18).

LUND

1948 - 1998
A TRADITION OF QUALITY

Adventure Series
The biggest value on big water.

Every Fisherman is built with double-riveted I-beam construction so you can race across big waves and heavy water without worry. The extremely stable, smooth ride makes fishing, skiing or just cruising the big lake an absolute pleasure. And it's big on features, too, making it your most economical choice in big water bearing.

**FISHERMAN.**
- Reinforced transom area.
- Custom-molded dash with glove box.
- Walk-through windshield.
- Comfortable Lund fold-down seats.
- Bow ProDeck conversion.
- Bow trolling motor plug-in.
- Lockable rod lockers and lots of storage.
- Wide decks for downrigger mounting.
- Large fish box with marine carpeting and coordinated upholstery and graphics.

**2100 FISHERMAN EXCLUSIVES.**
- 20’3” with 90” beam.
- Built-in 60-gallon fuel tank.
- Rated for outboards up to 200 HP.
- Dual auto-timed aerated live wells.
- Two bilge pumps.
- New aft casting platform (O/B).
- Full illuminated instrumentation (I/O), Mercruiser or Volvo controls. (I/O).

**1800 FISHERMAN EXCLUSIVES.**
- 18’3” with 87” beam.
- Rated for outboards up to 150 HP.
- Dual aerated live wells.
- Ample storage.
- O/B — built-in 32-gallon fuel tank.
- I/O — built-in 27-gallon fuel tank.
- Full illuminated instrumentation (I/O), Mercruiser or Volvo controls. (I/O).
"Lund takes the worry out of being on the water, so my family and I can enjoy the day without trouble, fuss or stress."

Tom Brown, professional fisherman, Lund owner since 1969

The 2100 Fisherman features a custom-molded dash, walk-through windshield, bow ProDeck, rod lockers, ample storage, a built-in 60-gallon fuel tank, auto-timed dual aerated live wells, bilge pump, and pedestal seats.

The 2100 Fisherman is a fantastic fishing boat, with all standard Fisherman features, plus dual aerated live wells, ample storage and the get-up-and-go and stability you need to handle big water and rough conditions.

The 2100 Fisherman’s transom has been reinforced and redesigned with a new live well and casting platform!

Durable and stylish, Lund cushions make your bow the most comfortable spot in the boat and on the lake.

Johnson OUTBOARDS
Powered by a dependable Johnson outboard.
The multi-sport pro.
Doing it all is every Pro Sport's specialty. Both models are built sleek and nimble with plenty of capacity for water skiing on the cutting edge. They also feature a ProDeck conversion and other unmatched Lund fishing features. And the double-riveted V-hull lets you cruise with a confidence that's not available in other boats.

**PRO SPORT.**
- Built-in 18-gallon fuel tank.
- Walkthrough curved windshield with auto-style console and custom-molded dash.
- Custom-molded dash with glove box.
- Bow ProDeck conversion.
- Bow trolling motor 12V plug-in.
- Rod lockers and lockable storage.
- Navigational lighting.
- Bow and aft casting platforms.
- Large flat floor with marine carpet.

**1700 PRO SPORT EXCLUSIVES.**
- 17'2" with 84" beam.
- Rated for outboards up to 115 HP.
- Dual aerated live wells with timers.
- Color-coordinated carpets and vinyls.
- Color-coordinated dash and glove box.
- Three comfortable Lund pedestal seats with five seat bases.

**1600 PRO SPORT EXCLUSIVES.**
- 16'3" with 82" beam.
- Rated for outboards up to 90 HP.
- Aerated live well with timer.
- Two comfortable Lund pedestal seats with five seat bases.
The Pro Sport is designed to fulfill all your recreation needs in a single, dependable design. You can even add a convertible sunbather seat when you want plenty of sun and a complete top set when you don’t.

The Pro Sport’s curved windshield adds an ultra-sporty look and wrap-around protection. With easy bow access.

The 1700 Pro Sport features dual aerated live wells tucked into the splash guard for easy access.

Upright, Pro Sport seats are super comfortable. And they easily fold down so you can stretch out and relax.

The ProDeck converts the roomy V-berth to a fishing platform loaded with features and ready for action.

“...the best thing we ever did was buy a Lund. Now we have a single boat that’s perfect for everything we want to do — and we’ve never felt so safe.”

Carol Dirkswager, boating enthusiast, Lund owner since 1988.
Lots of Lund for your money.

After building boats for fifty years we know how to add value without adding cost. Take the Pro Angler. It stretches your dollar and enhances your time on the water with sleek new deck styling and superior Lund construction. And it's loaded with great fishing features, proving again that a Lund is always the best choice.

**PRO ANGLER.**
- 16’10” with 84” beam.
- Built-in 20-gallon fuel tank.
- Aerated live well with timer.
- Electronics compartment.
- Custom-molded dash with glove box.
- Bow trolling motor 12V plug-in.
- Rod locker.
- Excellent storage.
- Navigational lighting.

- Bow ProDeck.
- Bow casting platform.
- Flat floor with marine carpeting.
- Two comfortable Lund pedestal seats.
- Three seat bases.
- Dual battery holders.
- Bilge pump.

**1700 PRO ANGLER EXCLUSIVES.**
- Rated for outboards up to 60 HP.
- Built-in storage.

**1700 PRO ANGLER SS EXCLUSIVES.**
- Rated for outboards up to 90 HP.
- Custom console.
- Windshield.
1700 PRO ANGLER SS.

The Pro Angler is a great way to stretch your dollar on the water. It features a built-in 20-gallon fuel tank, timed aerated live well, electronics compartment, custom dash, ProDeck, rod locker and lots of built-in storage.

NEW SIDE STEERING CONSOLE.

The 1700 Pro Angler SS features a new custom side-steering console with enhanced styling and increased performance. You won’t believe how much boat you get for your money when that boat’s a Lund.

ELECTRONICS COMPARTMENT.

The Pro Angler Electronics Compartment provides plenty of surface mounting space for all your gear.

AERATED LIVE WELL.

Lund live wells lead the industry in every way. Every Pro Angler model features a live well timer.

“Lund’s superior comfort, safety and fishability give me the edge I need in every situation. It’s a guide’s greatest tool.”

Tom Neustrom, guide, pro fisherman
Lund owner since 1982

EVINRUDE®

OUTBOARDS

Powered by a dependable Evinrude outboard.
Amazing performance for the price.

Compare a Lund Rebel to any similar boat and you'll soon see that there is no comparison. Legendary Lund construction immediately puts the Rebel in a class by itself. Add smarter, more functional fishing features and you realize that superior quality is a rare find. If you want to be sure, insist on a Lund.

REBEL

- Aerated live well.
- Rod locker.
- Bow casting platform.
- Deck mounting pad.
- Bow storage.
- Navigational lighting.
- Flat floor with marine carpeting.
- Bilge pump.
- Self-draining splash pan.

16 REBEL/REBEL SS EXCLUSIVES.

- 16' with 73" beam.
- Rated for outboards up to 45 HP.
- Extra storage.
- Side steering console control (SS).
- Electronics mounting surface (SS).
- Optional windsheild (SS).
- Optional factory O/B pre-rigging (SS).

14 REBEL EXCLUSIVES.

- 14'2" with 69" beam.
- Rated for outboards up to 35 HP.
- Exceptionally easy to haul and launch.
- Stores in virtually any garage.
“Whether you’re fishing a high-stakes tournament or having fun with your family, do yourself a favor – treat yourself to a Lund.”

Jim Peterson, champion walleye angler, Lund owner since 1980

Lund Rebels feature excellent stability and roominess, an aerated live well, rod locker, casting platform, deck mounting pad, bow storage, lighting, bilge pump, and carpeted flat floor. Shown here with optional third seat.

The 14 Rebel is a rugged little boat, with all standard Rebel features and classic Lund construction that makes it battleship tough. At Lund we don’t discriminate — small Lunds are just as tough as big Lunds.

The 16 SS offers all standard Rebel features plus console control and a special electronics area.

Every Rebel is lightweight and easy to haul, trailer and store. You can put them in the water in minutes.
Reinforced and trouble-free.

WCs give you year after year of reliable performance. Double riveted seams and reinforced hull and transom add up to a structurally superior boat with locks and performance that go well beyond its price.

WC.
- WC-16: 16' length with 68” beam.
- WC-14: 14’ length with 67” beam.
- WC-12: 12’ 10” with 60” beam.
- Solid gunnel extrusions
- Corner castings and bow caps
- Double riveted seams
- Reinforced construction
- Weather resistant seats
- Cast aluminum gunwales
- Bow eye and stern handles
- WC-14 and WC-16 offer 15” and 20” transoms, WC-12 has 15” only.

Reliable portability.

Super lightweight and extremely tough. As give you big dependability in a small boat. Built with heavy-duty Lund construction, these little marvels are extremely easy to manage on shore and built for stability on the water.

A.
- Highly portable high-quality construction fishing boat.
- A-14: 14’ 1” length with 60” beam.
- A-12: 12’ 11” with 58” beam.
- Bow and stern handles.
- Bow eye.
- 15” transom.
- Optional mooring cover.
- Navigational lighting.

- **Bow Weights** with standard equipment only.
HIGHER STANDARDS.
Every Lund boat is built to meet or exceed the highest standards set by the NMMA, the Coast Guard and the American Boat and Yacht Council. But first, every Lund must pass the toughest test of all — our own standards for quality and craftsmanship.

WARRANTY.
1998 model Lund boats purchased from an authorized Lund dealer are warranted for defects in the following material and workmanship.
- Wood floors, wood decks, and double-reinforced seams are warranted for as long as the boat is owned by the original purchaser.
- All other hull parts are subject to Lund's 10-year warranty. See your Lund dealer for details.

RESALE VALUE.
When you buy a Lund boat, you become part of the Lund family — and part of our tradition of excellence. When it comes time to sell your Lund boat, your investment in Lund quality will be rewarded.

LUND DEALERS.
Because we build the best boats on the water, we can afford to be selective with who sells them. When you see the Lund sign hanging in the window, you know the dealer inside meets Lund's strict standards for customer satisfaction. Stop by any of our dealers, and you'll see why they've earned the right to carry the Lund line.

LUND CRAFTSMEN.
Without the dedicated efforts of the Lund craftsmen who build our boats and the professional fishermen who help design them, the Lund tradition of excellence would not be possible. Thank you.

NOTE:
Some photos of Lund boats in this catalog show factory and/or dealer installed options. Photographs are taken under controlled conditions.

While every effort is made to depict safe boating, the photographs are not intended to serve as examples of correct boat procedures. While boats photographed are equipped with USCG approved life jackets and other required safety gear, these are not necessarily visible in all photographs.

Because Lund is dedicated to constant product improvements, the specifications, options, color selections and model availabilities of our boats are subject to change without notification.
