Fiberglass boats born of Lund DNA.
186 Tyee GL shown with fishing seating configuration.

186 Tyee GL shown with optional sun top.

186 Tyee GL

Aft 17-gallon lighted ProLong livewell with integrated baitwell.

ProCapacity in-floor lockable rod storage (11 rods).

The aft conversion feature of this Tyee offers superior seating comfort for running, and a large, stable casting platform for fishing.

The spacious contoured bow converts from a comfortable cushioned seating area to a large casting platform.
186 Tyee GL

The legendary big water sport and fish boat. Engineered with Lund DNA. Now in fiberglass.

From bow to cockpit to aft, everything about the new 186 Tyee GL is designed to increase your fishing productivity. But the new 186 Tyee GL delivers even more.

Everyone in your family — fishing fanatic or not — will find big comfort and big fun in the easy-to-convert Tyee design. Our deeper GL design is family-friendly and loaded with features and comfort that makes boating and fishing more fun.

- ProDeck aft casting platform
- Aft platform easily converts to comfortable Super Seating — approved for use while running
- Exclusive ProCapacity lockable in-floor rod storage with space and easy access for 11 rods
- Exclusive Tyee bow quickly converts from a sturdy casting platform to a comfortable, roomy contoured seating area
- Innovative SportTrak™ accessories system — no other fiberglass boat has anything like it
- Functional bow cooler doubles as a convenient storage compartment
- Rated for 175HP Mercury engine
- Convenient tow rope and boarding ladder storage compartments
- Ski tow bar pylon (optional)

(Hull and deck color options: grey or white.)

Lund Boat Company has always been known for the 'Ultimate Fishing Experience' and I believe these new fiberglass boats are the finest to come out to the market, and that’s certainly why I moved to Lund.”

- Ted Takasaki, PWT Classic Champion; PWT Top Gun Angler; 11-Time PWT Tournament Qualifier; and President, Lindy Fishing Tackle Co.

186 Tyee GL & 186 Fisherman GL

- Tow rope and ladder compartments are conveniently tucked away in the aft.
- The ergonomic GL command console puts everything right at your fingertips.
- This oversized port console glove box is complimented by a 12V plug-in.
- Lund’s exclusive SportTrak™ system.
- Optional snap-in carpeting.
186 Fisherman GL

Great performing, go-anywhere fishing machine. Engineered with Lund DNA. Now in fiberglass.

A great day in a Lund boat is a great memory for life. And a great fishing day is what you’re going to get in the new Lund 186 Fisherman GL fiberglass boat.

The 186 Fisherman GL provides reliable stability and bigwater fishability with the ultimate in fiberglass performance—the exclusive Lund IPS™ hull design. You'll ride high and dry above the waves and you'll fish in more productive waters where other fiberglass boats won't go.

• Exclusive lighted ProLong livewell keeps your catch healthy and strong. Includes an integrated baitwell
• Huge aft casting platform
• Innovative SportTrak™ accessories system — you won't find this on any other fiberglass boat
• Additional bow aerated livewell with integrated baitwell
• Functional bow cooler doubles as a convenient storage compartment
• MotorGuide W75/60°/24V Sonar trolling motor
• Rated for 175HP Mercury engine
• In-deck rod locker
• Spacious bow deck storage area
