Whether you want to fish the icy waters of a northern lake, draw back your bow string and take aim, camp over a weekend, or just get your work done, these Lund Jons are boats you can trust.

Don’t let the economical price fool you. This is high quality construction that stands up to years of punishment:
- Advanced marine-grade 5052-H34 alloy aluminum
- Riveted for extra strength
- Formed-in keels and spray rails for additional strength
- Formed transom corner caps for smoother edges
